**Wedding day**

May 5, 2018  
Red Space | Cleveland

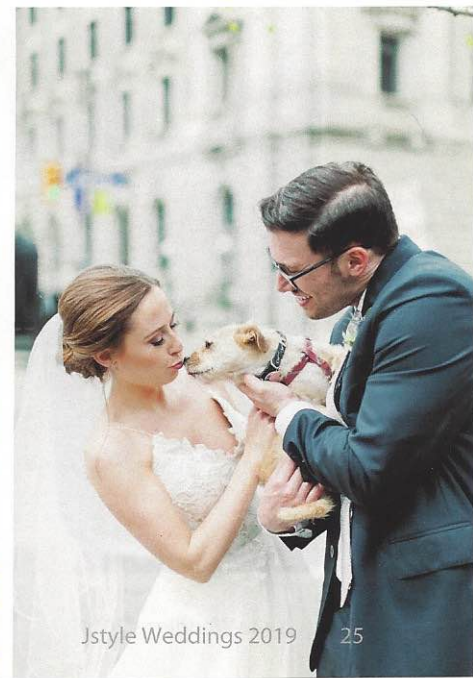

**Today**

Ages: 31 and 32  
Residence: Cleveland (downtown)  
Synagogue: Anshe Chesed Fairmount Temple

We chose to have a small bridal party with just our siblings and parents, and right before the ceremony started and we all walked down the aisle, Rabbi Joshua Caruso took out his phone for a family selfie. The moment eased all our nerves and captured the love and excitement we all felt as a family. And, the picture is so cute!
